Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Wednesday 06 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry and bright, but rain this evening.

Today:
It will be dry and bright for much of the day with some sunny spells after a chilly start. However, cloud thickening with outbreaks of rain around the west coast later.

Tonight:
Outbreaks of rain will push across much of the country this evening, the rain heavy and persistent through Argyll and much of the Western Highlands. Strenghtening southerly winds.

Thursday:
Cloudy with outbreaks of rain, heavy and persistent across the Western Highlands. The best of any drier and brighter conditions around the Moray Firth and eastern Borders. Mild and breezy.

Outlook for Friday to Sunday:
Rain affecting the west and northwest on Friday with drier and brighter spells further east. Rain crossing the country on Saturday, then bright and breezy with a few showers Sunday.
